NextGen - Accredited Learnership (Qualifications List 2024)

NextGen Training Solutions (Pty) Ltd proudly offers a broad selection of work-based training qualifications to choose from through our Business Partner Advanced Assessments and Training. Advanced Assessments is accredited with various SETAs with Service-SETA as primary SETA.

With regional hubs across the country, we service our clients from offices situated in the metropolitan hubs of Johannesburg, Durban and Cape Town. As an alternative to classroom-based facilitation, we also offer clients the option of distance learning.

Below is a breakdown of the complete list of Learnership qualifications offered per SETA:
