### Partner Approach

- NextGen believes in developing long-term sustainable relationships with clients.
- NextGen's key focus is to add value to our customers and continuously improve.

### Team Dynamics

- NextGen fosters a culture of ownership and passion, enabling team members to grow and develop.
- Our NextGen team works towards a common goal of "Gearing you for Growth".
- The NextGen team have integrated and overlapping responsibilities to ensure continuity.

### Operations Approach

- Internal operational meetings.
- WhatsApp groups used for LIVE communication (Administration, Trainers, Account Managers, Management).
- Customer Dashboard Reports (larger initiatives).

### Management Involvement

- Every delegate is required to complete a feedback form.
- All delegate feedback is checked.
- Classroom audits by CEO and Sales Director on ad-hoc basis.
- Personal involvement by CEO in every compliment and complaint.
- CEO is copied on all client communications.

### Post-Training Support

- Free course related support, during office hours, for a period of 1 year post training.
- Trainers strive to respond to delegate support queries within 1 business day.

### Trainers

- NextGen encourage trainers to further develop their skill sets on an ongoing basis.
- Trainers continuously meet to share and develop from each other's experiences.
- Trainers are briefed by Account Managers ahead of training sessions.
- Trainers develop personalised relationships with the delegates.

### Quality Reviews

- Class Feedback
- Customer Feedback
- Pre/Post Assessments
- Level Assessments
- Management Audits

### NextGen CEO Directive:

"Every delegate must leave NextGen in a more skilled position than when they arrived."
